

**DECLARATION FOR PATENT APPLICATION**

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled "QUASI-SPHERICAL ORBITAL IMPLANT", the specification of which is attached hereto.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations, §1.56.

I hereby appoint James C. Nemmers (Registration No. 19,143), Glenn Johnson (Registration No. 37,362), Robert W. Hoke (Registration No. 29,226), and Ryan N. Carter (Registration No. 51,533), Telephone No. 319-365-9461, Shuttleworth & Ingersoll, PLC, 115 3<sup>rd</sup> Street SE, Suite 500, P.O. Box 2107, Cedar Rapids, Iowa 52406, my attorneys with full power of substitution and revocation, to prosecute this application, to transact all business in the Patent and Trademark Office connected therewith, and to receive the Letters Patent, all correspondence to be conducted with James C. Nemmers.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Full name of sole or first inventor: Jean-Francois Durette
